

March 2025

Dear Candidate,

Thank you for considering the exciting opportunity to join Loyola Preparatory School as our new **Music & Choir Teacher**.

Loyola is a welcoming and vibrant Catholic school for boys aged 3-11, nestled in the heart of Buckhurst Hill, Essex. While we embrace our Catholic ethos, we warmly welcome pupils from all denominations who share in our values of respect, kindness, and excellence. We are looking for a passionate, inspirational, and dedicated part-time **teacher** to join our team in **September 2025**—someone who can continue to spark the love for music and singing in our pupils.

*Why work at Loyola?*

At Loyola, happiness and positive behaviour are at the heart of everything we do. Visitors and parents frequently comment on the school's warm, family-like atmosphere, which fosters confidence, enthusiasm, and a love for learning in our students.

We take immense pride in our academic results with children consistently performing well above the national averages at every stage of their education here. For a predominantly non-selective school, we have an excellent reputation with our boys gaining multiple place offers (many with scholarships across a range of disciplines) for 11+ entry into leading Independent & Grammar secondary schools.

But Loyola is about so much more than academics. Our dedicated teaching team nurtures every child's unique talents—whether that's singing, playing an instrument, excelling in chess, or competing in sports at a national level.

*Come and see for yourself!*

Changing schools is a big decision, and we warmly invite you to visit Loyola to experience our supportive, inspiring environment first hand. I'd be delighted to show you around and answer any questions you may have. If you would like to arrange a tour before applying, please contact our School Secretary, Mrs Long, on 020 8504 7372 or by email to [office@loyolaprepschool.co.uk](mailto:office@loyolaprepschool.co.uk).

I look forward to hearing from you.

Kind Regards

Mrs Kirsty Anthony  
Headmistress
